Because of all the nut allergies we do not serve any nuts, or use of peanut oil, although some products such as cookies, granola bars have been made in a facility that has nuts. We label these products.

Our Gluten Free section has Hot Dog and Hamburger Buns, Bread, Bagels, Muffins, and GF Cereal - See menu for additional items.

We are not a Kosher kitchen but we can do vegetarian options and can also have vegan options for students and guest. Food can be brought to camp and we do have a microwave available to use in our buffet area, do remember that space is limited if you bring your own food.
